POLICY STATEMENT

For all first professional students at National University of Health Sciences (NUHS) who choose to obtain a second degree at NUHS, either first professional (doctorate or master's) or Master of Science in Advanced Clinical practice, specific tuition discounts may apply as follows. In all instances, a permissible discount may only occur one time.

1. Those who have obtained a doctoral degree at NUHS and are seeking a second degree will receive a 50% tuition discount on the final trimester of the second doctoral program.
2. Those who have obtained a doctoral degree at NUHS and are seeking a first professional Master's degree (MSAC, or MSOM) will receive a 50% tuition discount on the final trimester of the Master's program.
3. Those who have obtained a doctoral degree at NUHS and are seeking a Master of Advanced Clinical Practice (MSACP) will receive a 50% discount on the last five (5) credit hours of the MSACP.
4. Those who have obtained a first professional master's degree and wish to obtain a second first professional Master's degree will receive a 50% tuition discount on the last trimester of the second-degree program.
5. This policy does not apply to Master's degrees that are part of a residency program.
